### Committee Descriptions

**Events Committee:**

This committee is responsible for planning annual events and assisting with event promotions. This group will play an important role in planning the upcoming Don Nabity Golf Tournament and the Convention.

**Emerging Leaders/ Young Professionals/ Diversity Task Force Committee:**

Emerging Leaders work toward strengthening association involvement among young insurance professionals. The Diversity Task Force is charged with developing ideas to increase diversity within our industry, while promoting respect and tolerance for all. Are goal is to identify and build up new leaders in our industry.

**Education and Technical Affairs Committee:**

This committee assists with planning and monitoring education programs for quality and efficiency, while also shaping the direction of professional development for both current and future industry professionals.

**Government Affairs Committee:**

Works with paid lobbyists to monitor state and federal laws and regulations that impact the insurance industry and small business. Creates awareness among legislators, regulators, members, and consumers of the important issues and work done by PIIAC. Oversees grassroots efforts and public affairs of legislation. Raises funds for Political Action Committees.
